

Training, Workshops and Conferences

- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was invited as Member, Advisory Board of Shri. Gajanan Invention & Advance Research Centre (SGIARC)- TBI, Shegaon.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was invited as Advisor of Emeritus Advisor Group for Asia Pacific Journal of Innovation and Entrepreneurship (APJIE).
- **Training to ASTEC Project Officials**
During implementation of Gaon Resource Village Information System at Assam Science and Technology Environmental Council (ASTEC), Assam, Scitech Park, Pune has made installations to their designated server and deployed the entire setup. Training on deployment and usage of the application was imparted to ASTEC core group via remote Zoom call setting from 7th to 9th April, 2021. Scitech Park's software team is constantly in touch with their core team for any deployment or function related queries and try to address it immediately on virtual mode.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was invited as a panellist for ISBA GIZ Policy-Sharing Best Practices on Incubation Maharashtra and Punjab on 9th April, 2021.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was invited as Chairman- High Level Committee for Drafting Academic Program & Statutes and Ordinances for Maharashtra State Skill University on 11th April, 2021.
- Ms. Sonali Bhattacharjee, Director-Projects, Scitech Park, Pune attended a Virtual Grant Open House Event on "An overview of bidding process related to funding opportunities through grants program led by Grant and Program Manager of US Mission" on 28th April, 2021.
- Ms. Sonali Bhattacharjee, Director-Projects, Scitech Park, Pune and Mr. Sanmati Shetgar, Assistant Manager, Corporate Social Responsibility, Scitech Park, Pune attended GeM Registration & Training Session Northern Region (CII/NR/18310/21) on 30th April, 2021 at CISCO Webex, Chandigarh.
- Scitech Park, Pune & The International Sustainable Chemistry Collaborative Centre have joined hands to create an International Sustainable Chemistry Club to promote the application of sustainable chemistry principles in solving some of the key issues the society is facing today and also to promote chemistry led scientific and industrial innovation & entrepreneurship on 28th May, 2021.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was guest speaker on Sustainable Agriculture, organised by FICCI FLO, Pune Chapter on occasion of World Environment Day on 5th June, 2021.

- As a part of International Sustainable Chemistry Club, 1st lecture session was organized on “LCA in Sustainable Chemistry - Challenges and Opportunities” on 24th June, 2021. The Speakers for the session were Ms. Karoline Wowra, Project Manager Bioeconomy and Sustainability Assessment at DECHEMA e.V, Frankfurt & Mr. Andreas Scharf, Project Manager Bioeconomy and Sustainability Assessment at DECHEMA e.V, Frankfurt.
- As a part of International Sustainable Chemistry Club, 2nd lecture session was organized on “Sustainable Chemistry Applications in Agriculture Sector” on 29th July, 2021. The speakers for the session were Dr Vania Zuin, Professor at the Federal University of Sao Carlos, Brazil and Mr. V. Shridhar, CEO Green Joules Pvt Ltd, Pune.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune virtually attended as Chief Guest at the Inaugural Function of One Day Seminar on “Drishti: Future of Science & Technology” held at DY Patil University, Ambi, Talegaon Dabhade, Pune on 7th August, 2021.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune has delivered keynote address at India SMEIT Summit on 25th August, 2021.
- As a part of International Sustainable Chemistry Club, 3rd lecture session was organized on “Green Chemistry for Sustainable Leather Manufacturing” on 26th August, 2021. The speakers for this session were Prof. Buddhadeb Chattopadhyay, Former Principal, Government College of Engineering and Leather Technology, Calcutta & Dr. Jurgen Christner, Formerly Head of Global Research & Application and Product Safety, TFL Ledertechnik GmbH, Germany.
- Mr. Hardik Joshi, Director–Entrepreneur Engagement and Training, Scitech Park, Pune has participated as a Jury for Climate Launchpad National Finals on 3rd September, 2021.
- Ms. Sonali Bhattacharjee, Director-Projects, Scitech Park, Pune and Mr. Sanmati Shetgar, Assistant Manager, Corporate Social Responsibility, Scitech Park, Pune have attended Inauguration of the Indigenous Cattle Research & Training Centre at College of Agriculture, Pune on 18th September, 2021.

- As a part of International Sustainable Chemistry Club, 4th lecture session was organized on “Hydrogen Economy and Emerging Applications” on 30th September, 2021. The speakers for this session were Dr Florian Ausfelder, Head of Energy & Climate Team at the Dechema, Germany & Dr Ganapati Yadav, former Vice-Chancellor and now Emeritus Professor of eminence at the Institute of Chemical Technology (ICT), Mumbai.

- **FOSS4G Asia 2021:**

Nepal’s Kathmandu Chapter-Dhulikhel on Free and Open-Source Software for Geospatial (FOSS4G) has organized one of the largest conferences related to the use and application of open-source GIS post pandemic on 1st and 2nd October, 2021. The event was represented virtually via Zoom. From Science and Technology Park, Pune, Mr. Saurabh Varma, Project Director-Geoinformatics Division, presented his Paper on “Enterprise Level Spatial Planning and Decision Support System for Gas Asset Management in City Gas Distribution companies across India using FOSS” under section under theme Geospatial Plugins, Packages and platform development (GPPPD).

| OCTOBER 1 & 2, 2021 | DHULIKHEL - NEPAL |

FOSS4G - ASIA 2021

FOSS4G IN THE ERA OF ARTIFICIAL INTELLIGENCE AND IoT FOR LAND MANAGEMENT AND SUSTAINABLE DEVELOPMENT

Enterprise level Spatial Planning and Decision Support System for Gas Asset Management in City Gas Distribution companies across India using FOSS

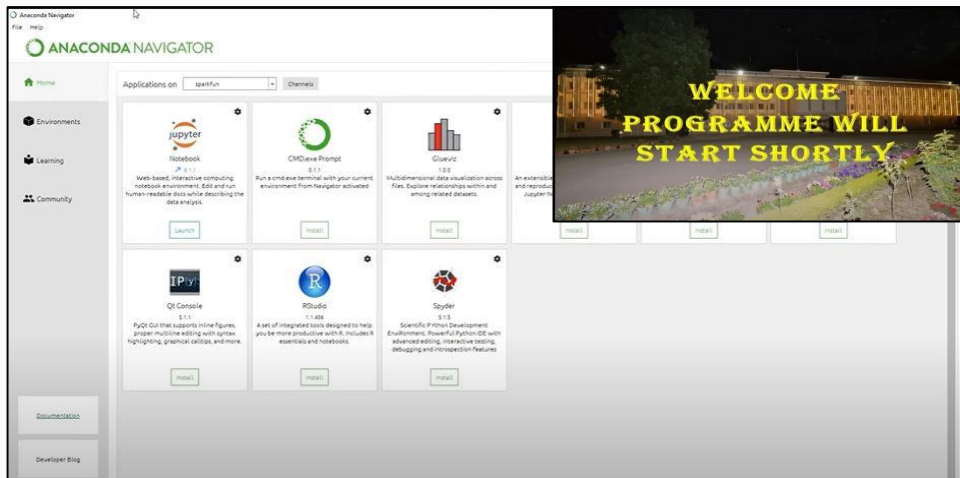

Saurabh Varma
Project Director - Geoinformatics Division
Geoinformatics Division
Science and Technology Park, Pune
Supported by Department of Science and Technology, Government of India

- Dr Rajendra Jagdale, Director General and CEO, Scitech Park, Pune has attended the Indo Japan Business Council (IJBC) webinar on 6th October, 2021. **Honourable Dr. Yasukata Fukahori, Consulate-General of Japan in Mumbai, delivered talk on - A Diplomatic and Economic Perspective of Indo-Japan Relations – Past, Present, and Future.**
- Dr. Chandrashekhar Talathi, (as Scitech CIII associate) attended “The 24th International Workshop on Business Incubation (IBI Workshop)”, AABI (Asian Association of Business Incubation) from 18th - 22nd October, 2021.
- **Need based Training to IRM Project Officers**

As a part of ongoing GIS Project Implementation Plan for IRM Energy, Gujarat covering their City Gas Distribution Network, detailed and one to one training was imparted to project officers from IRM to individually conduct data normalization activities from time to time and add the network in the existing GIS database. Scitech Park’s onboard training has helped IRM to achieve sustainability and enabled them to handle their GIS data on their own.

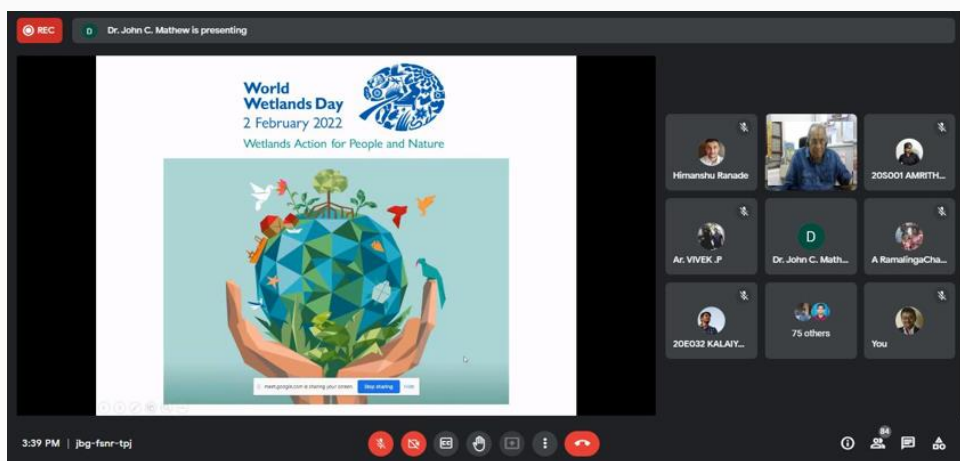

- Dr. Prashant Varkey, Scitech Park Start up, was invited as a speaker for the Medical Device Digi Expo 2021 on 25th October, 2021.
- Mr. Hardik Joshi, Director–Entrepreneur Engagement and Training, Scitech Park, Pune has attended Master Class on Seed Fund Management for ISBA members from 25th to 27th October, 2021.
- Dr Rajendra Jagdale, Director General and CEO, Scitech Park, Pune has attended the AABI (Asian Association of Business Incubation) General Assembly on 27th October, 2021.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was invited as a speaker for IKMC 2021 Roundtable “Shaping Sustainability-Investing in our Future” on 29th October, 2021.
- Ms. Sonali Bhattacharjee, Director-Projects, Scitech Park, Pune and Mr. Sanmati Shetgar, Assistant Manager, Corporate Social Responsibility, Scitech Park, Pune attended CSR Summit from 7th to 9th December, 2021.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was speaker on ‘Contribution of HEIs Towards Promoting Sustainable Industrialization, Building Resilient Infrastructure and Fostering Innovation (SDG-9)’ during the West Zone Vice Chancellors’ Meet 2021-22 at Dr. Vishwanath Karad MIT World Peace University, Pune, Maharashtra on 8th December, 2021.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune attended meeting as member of the Think Tank Committee for construction of World Level Sugar Museum at Sakhar Sankul Complex, Pune on 8th December, 2021.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was panellist at Sarthak 8th National Conference on Disability, Government & CSR Efforts Towards Sustainable Development on 17th December, 2021.
- Scitech Park, Pune hosted the R&D Institution Directors’ meeting on 22nd December, 2021.
- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune virtually attended the ISBA con summit as speaker on 9th January, 2022.
- **Online Course on Geoprocessing using Python**
 Indian Institute of Remote Sensing, Dehradun organized a 10 days online training programme on use of Python on Geoprocessing from 17th January to 28th January 2022 via its EDUSAT Module. Entire Geospatial Team of Science and Technology Park, Pune attended the training program attended the sessions to learn basic skills of geospatial processing using Python, vector analysis using geo pandas, image classification using machine learning. The course was helpful in making professionals learn new mapping techniques for smart project implementation.

- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was invited as Jury member for Selection Committee of “Pride of Pune Awards”, Maharashtra Industrial and Economic Development Association (MIEDA), SME Chamber of India on 26th January, 2022.

- **Webinar on World Wetland Day, 2nd February, 2022**

World Wetland Day is celebrated worldwide on 2nd February every year and aims to raise Global Awareness of Wetlands by providing an opportunity to engage all the stakeholders at all levels. In line with the objectives of the World Wetland Day, a Webinar on Wetland Action for People and Nature was organised by Department of Chemistry, Thiagarajan College of Engineering, Madurai. The Key speaker of the webinar was Dr. John Mathew, Environment Programme Manager at Directorate of Environment and Climate Change, Govt of Kerala. Mr. Rajagopalan Vasudevan known as ‘Plastic Man of India’ and a Padma Shri Awardee, chaired the Webinar. The programme was facilitated under aegis of Environment Information System (ENVIS), Resource Partner on Plastic Waste Management under Ministry of Environment, Forest & Climate Change, Govt. of India. The event was conducted via Google Meet Platform and attended by representative from Geoinformatics Division of Science and Technology Park, Pune through the Webinar link.

- Dr. Rajendra Jagdale, Director General and CEO, Scitech Park, Pune was speaker on “Driving need-based Innovation” in AICTE Approved ATAL FDP Program on “Product Design, Development, and Manufacturing through a Boot Camp” on 13th February, 2022 at COEP’s Bhau Institute, Pune.

- **Training to IMC Project Officials**

Under GIS Implementation Program at IMC Solapur, Scitech Park, Pune has conducted first level of Basic GIS and Remote Sensing familiarization program for project officials engaged in implementing GIS for Solapur City Gas Distribution Network (CGD) on 24th and 25th March, 2022. The main idea of the program was to acquaint the team with the standard mapping technologies, science behind mapping and core knowledge on projection system, datum etc. which are essential for establishing a robust GIS system. At a later stage it is proposed to conduct a detailed CGD oriented training program for the project officials.
